Consent (Tele-Consultation)

Before initiation of the present consult, the patient/consultee was informed and explained about telemedicine, that is, the facility of virtual consult/tele-consult through a tele-health mode, including its limitations, the rights and duties of the provider and the patient/consultee as per the statutory guideline for the same, and also the fact that the present consult's audio/video call may be recorded and used by other clinical providers confidentially for internal training and quality purposes. After having understood it, the patient/consultee has given his/her informed, verbal consent for this virtual consult.
